BYCHL YACHT CENTRUM

Windy SR40

The perfect combination of elegance, performance, and freedom at sea. The Windy SR40 represents the pinnacle of Scandinavian design and precision craftsmanship that has made the Windy brand famous around the world. This 40-foot yacht combines exceptional performance, luxurious comfort, and thoughtful details in every aspect—from the sporty cockpit to the cozy interiors.

A design that catches the eye at first glance. The elegant lines of the hull, low profile, and iconic silhouette of the SR series create an unmistakable look that combines sporty energy with elegance. Every element is designed with an emphasis on functionality, aesthetics, and maximum comfort – whether you're anchored in the harbor or cruising the open sea. It offers a great sailing experience thanks to powerful Volvo Penta engines and a hull that guarantees stability, precise handling, and speeds of over 40 knots.

The Windy SR40 offers practicality with luxury. The spacious cockpit with large seating area, pull-out tables, and sun loungers create the ideal environment for relaxation and entertainment. The interior offers one comfortable cabin, a fully equipped kitchen with dishes, and a beautiful bathroom.

Whether you are looking for a sports boat for fast cruising or a yacht for weekend trips, the Windy SR40 is a great choice. Its quality workmanship and timeless design make it a boat that will win you over from the very first cruise.

The Windy SR40 is not just a boat—it is a lifestyle, freedom, and a passion for the sea.
