Williams Turbojet 325

The TurboJet 325 fits into smaller garages and on bathing platforms of most 16–21m yachts, so it’s ideal for smooth trips to the quayside to grab supplies. Thanks to its clever engineering and generous storage, the TurboJet 325 can easily accommodate four adults and keep their essentials dry as you spend a day on the waves.

But it’s when you fire up the BRP Rotax engine and open up the throttle that you’ll truly discover why we called this iconic small tender boat the TurboJet.

Technical parameters

Shipyard	Williams Jet Tenders
Range	Turbojet
Lenght	3,30 m
Beam	1,70 m
