BYCHL YACHT CENTRUM

Predator 65

The new Predator 65 benefits from the latest Volvo Penta IPS-1200 or IPS-1350 offering enhanced performance, comfort, efficiency and manoeuvrability. Complete with joystick control and 35-knot capability, she will provide an exhilarating, one-of-a-kind driving experience in well-appointed surroundings.

Externally there are two distinct entertaining areas; the bow seating area complete with a large sunpad and the configurable aft cockpit and beach club area. Furniture options include comfortable seating backed onto a large sun pad over the garage and a social bar unit with matching stools on the port side, a fully integrated wet bar or extended J-shaped lounge seating running aft from the galley across the width of the cockpit. The multiplicity of arrangements and furniture configurations available offer space and flexibility for a family or a group of couples.
