BYCHL YACHT CENTRUM

Manhattan 55

The Sunseeker Manhattan 55 is meticulously crafted to maximise comfort and cruising performance while offering an abundance of social spaces typically found on much larger yachts.
Its striking exterior features sweeping curves of glass and elegant stainless-steel accents, highlighting the yacht’s dynamic presence. With optional bar stools at the galley, the space seamlessly connects to the main deck, creating a fluid transition between indoor and outdoor living. At 55 feet, this motor yacht delivers extraordinary versatility for owners.

The open-plan layout of the Manhattan 55 creates a sense of spaciousness throughout, with standout features like the well-appointed bathing platform and innovative Beach Club. Ideal for entertaining, this area includes options such as a built-in barbecue, overhead shower, and fold-down transom seating, perfect for enjoying time with friends and family.

Powered by either twin MAN i6 800PS or Volvo Penta IPS-950 engines, the Manhattan 55 cruises comfortably at 25 knots with a range of 250 nautical miles, and can reach speeds of over 30 knots at full speed.
