BYCHL YACHT CENTRUM

Hydrolift C-31

The Hydrolift C-31 is a sporty, elegant cruiser that masterfully combines speed, luxury and functionality. Its unique deep-V hull is designed to thrive in harsh weather and on the open sea, and provides an exciting and stable ride, earning it the nickname “McLaren on the water” for its exceptional handling characteristics. Ideal for long cruises, the C-31 offers excellent performance and reliability, power steering, reinforced propulsion systems and a top speed of 50 knots. Its versatile cockpit interior effortlessly transforms from an intimate setting for dinner for two to a social hub for up to seven guests, combining style with practicality. The thoughtfully designed cabin maximises comfort, accommodates up to three sleepers and is equipped with a toilet compartment. Practical features such as a bow truss, stainless steel bathing ladder and advanced navigation systems enhance comfort, while its transportability on a trailer of up to 3.5 tonnes gives it unrivalled flexibility. With the perfect combination of performance, comfort and clever design, the Hydrolift C-31 delivers both adventure and elegance, making every cruise an exciting experience.

159 000 EUR excl. VAT
