BYCHL YACHT CENTRUM

Fjord 39 XL

Featuring a striking design, flexible customization options, and excellent handling, the FJORD 39 XL promises both exciting sailing and relaxing leisure time on board. It is ideal for those looking for a luxurious day boat as well as a capable cruiser for weekend getaways. It stands out with its timeless design featuring clean lines, modern accents, and high-quality workmanship. Every detail – from the exterior to the interior. The characteristic vertical bow, high side windows, and iconic T-Top roof not only provide protection from the sun and inclement weather, but also contribute to the boat’s distinctive appearance.

The cockpit offers the largest sun deck in its class, stylish benches, folding tables, and an exceptionally spacious area for relaxation. The interior includes a comfortable cabin with a double bed, separate shower, and equipped toilet. Thanks to two powerful Volvo Penta D6-440 inboard engines, the boat reaches remarkably high speeds of up to 42 knots, making it one of the fastest motorboats in its category. Precise steering, comfortable controls (joystick), and a carefully designed hull ensure sporty response and stable sailing.

499 000 EUR excl. VAT
