Sunseeker Superhawk 34

The 2003 Sunseeker Superhawk 34 is an iconic sports yacht that combines elegant design, precise craftsmanship and dynamic performance. Thanks to a pair of Volvo Penta KAD 300 D/P engines, it offers an exciting driving experience with high top speed and excellent handling, enhanced by hydraulic steering and an adjustable steering wheel. The exterior of the boat has undergone a complete refit in 2021, giving it a more modern look, while the teak cockpit and stairs to the cabin add a luxurious touch. Comfort on board is ensured by four cockpit lights, practical storage spaces and quality materials such as cherry wood in the interior. The stateroom features an extra extended bed and a safe for safe keeping of valuables. In terms of technology, the Sunseeker Superhawk 34 is equipped with a Fusion radio with CD player, Shipmate RS 8400 VHF radio and VDO Rudder reference gauge for better navigation. There’s also a dashboard cover and a handy 12V socket. This model is the perfect choice for those looking for a combination of speed, comfort and timeless style on the water.
