

Williams Turbojet 325

Williams Turbojet 325 delivers top performance and a sporty spirit in a compact design.

Designed specifically for yachts between 16 and 21 meters in length, it offers owners of medium-sized yachts a dynamic and stylish tender that doesn't take up much space but definitely leaves an impression.

Its Textron 850 120 PS engine provides great maneuverability, instant acceleration, and stability on the water.

This model is the ideal choice for quick trips between marinas, quick shopping trips to the coast, or water sports. All with comfort and safety on board.
